## **A carefully chosen selection of the finest strains**

At Royal Green Distribution, we bring an exclusive selection of top-quality products all across Europe under our 'Royal Sélection' label. Working with renowned producers and labs, we ensure flawless quality and complete traceability. Your satisfaction is our priority, with unmatched quality products at competitive prices for an exceptional experience.

YOUR TRUSTED PARTNER

# Excellence in premium production and logistics

Choosing Royal Green Distribution means partnering with a trusted ally that places quality, transparency, and customer satisfaction at the heart of its priorities. We understand the unique needs of our B2B clients and offer complete, tailored solutions to meet the highest standards.

## Fast, precise logistics

Thanks to our strategically located infrastructures, we ensure efficient logistics to provide our B2B partners with speed and precision. But our commitment goes beyond distribution: we are passionate about quality and transparency. This is why we created the “Royal Selection,” an exclusive range of premium products carefully selected to meet the expectations of the most demanding customers.

## Quality unmatched in Europe

Our products come from a rigorous selection of the best plant genetics, carefully cultivated by our certified partners. Every product we distribute meets the highest standards in terms of quality and traceability. We provide comprehensive documentation to ensure total transparency about the origin and manufacturing process.

## Exceptional Quality

At Royal Green Distribution, quality is absolute. Our Royal Selection features only the finest genetics from certified producers and top laboratories. Every product passes rigorous controls to ensure excellence that consistently exceeds expectations.

## Total Transparency

Trust is the core of our partnerships. We guarantee full traceability, from cultivation to distribution. Each product's origin, quality, and compliance are clearly documented and accessible at any time.

## Innovation and Customization

With deep knowledge of the European CBD market, we deliver solutions that blend premium quality with competitive pricing. Whether for high-end ranges or niche markets, our Royal Selection adds real value to your business.

## Reliable and Efficient Logistics

Our strategic network across Europe ensures fast, secure deliveries. From France to Spain, Italy, or Czechia, every order arrives safely and on schedule through our express shipping services.

## Commitment to Your Satisfaction

Your success drives ours. Our team provides responsive, solution-focused support at every stage — from your first order to final delivery. With Royal Green Distribution, you gain a true business ally.

With Royal Green Distribution, you choose a trusted partner committed to offering you superior quality products, exemplary service, and a lasting partnership.

**CHARLOTTE'S WEB**

- BUDS Big buds
- CULTURE Greenhouse
- FLAVOR Fruity
- STRENGTH ★★★★★

Charlotte's Web CBD is a renowned hemp strain, celebrated for its high CBD content and minimal THC. Cultivated in a greenhouse, it benefits from the best of both worlds: natural sunlight and a controlled environment. This results in a flower with a subtle, earthy, and piney aroma, making it a favorite for those seeking wellness and balance without psychoactive effects.

**CANNATONIC**

- BUDS Big buds
- CULTURE Greenhouse
- FLAVOR Citrus
- STRENGTH ★★★★★

As a leading CBD wholesaler, we are proud to offer our premium Cannatonic CBD flower. This legendary strain, cultivated in a greenhouse, is a must-have for those seeking a therapeutic experience. It's known for its gentle, earthy, and citrusy aroma and its deeply relaxing effects. A staple for any professional looking to offer a high-quality, reliable, and classic CBD product to their clientele.

**NEPAL DRY**

CULTURE Hash/Extract  
 FLAVOR Fruity  
 STRENGTH ★★★★★

Nepal Dry FTS is a premium hash, meticulously produced from the trichomes of carefully selected CBD hemp flowers. This traditional concentrate is known for its classic, robust profile and soft, malleable texture. It is a favorite among connoisseurs for its purity and rich aroma, providing a powerful and authentic experience.

**PIATELLA**

CULTURE Hash/Extract  
 FLAVOR Citrus  
 STRENGTH ★★★★★

Piatella FTS is a premium, full-spectrum hash that is highly sought after for its unique texture and rich terpene profile. The name «Piattella» (Italian for «flat») refers to the meticulous process of pressing the extract into a creamy, pliable consistency. This artisanal concentrate offers a clean, pure, and incredibly flavorful experience that is a true testament to the quality of the starting material.

## ★ BEST SELLERS

**POLLEN CBD INDOOR  
AMNESIA - 73 MICRON**

FILTER	73 μ
CULTURE	Indoor
FLAVOR	Citrus
STYLE	Sticky
COLOR	Beige

Our Pollen CBD Indoor Amnesia - 73 Micron is a highly refined concentrate derived from premium, Indoor-grown CBD flower. The specialized 73-micron sift precisely separates the purest trichome heads, resulting in a sticky, light beige extract with exceptional potency and a signature citrus aroma. This full-spectrum hash is prized by connoisseurs for its intensity and unparalleled cleanliness.

**POLLEN CBD  
120 MICRON**

FILTER	120 μ
CULTURE	Glasshouse
FLAVOR	Fruity
STYLE	Pollen
COLOR	Brown

Our Pollen CBD Glasshouse - 120 Micron is a premium hash crafted from the resin glands of our greenhouse-grown CBD flowers. The 120-micron sift size allows for the collection of high-quality trichome heads, while still retaining some plant material to provide a robust, full-bodied flavor. The result is a malleable, aromatic, and potent hash that provides a classic, enjoyable experience.

**POLLEN CBD INDOOR  
73 MICRON**

FILTER	73 μ
CULTURE	Indoor
FLAVOR	Herbal
STYLE	Sticky
COLOR	Beige

Our Pollen CBD Indoor - 73 Micron is the purest and most potent hash in our collection. The 73-micron sift size is the gold standard for collecting only the most refined and potent parts of the trichome heads, leaving behind the unwanted plant material. The result is a clean, pure, and incredibly potent hash with a high concentration of CBD, making it a favorite for connoisseurs who demand the best.

**POLLEN CBD GLASSHOUSE  
160 MICRON**

FILTER	160 μ
CULTURE	Greenhouse
FLAVOR	Herbal
STYLE	Pollen
COLOR	Brown

Our Pollen CBD Glasshouse is a premium hash derived from greenhouse-grown hemp, specifically selected for its high CBG content. The 160-micron sift ensures a balance between purity and a robust full-spectrum profile, resulting in a dark concentrate with a strong earthy aroma. This product offers a unique way for customers to experience the distinct benefits of Cannabigerol (CBG).
